

# OLIVER BEER'S Sesame and peanut candy

For a 2019 solo exhibition at the Met Breuer, titled 'Vessel Orchestra', artist Oliver Beer presented 32 hollow objects from the Met's collection, suspending a microphone in each to unexpectedly transform cultural artefacts into musical instruments. It's an approach echoed in his favourite nibble, a Korean candy bar (*gangjeong*) with a 'super crispy percussion crunch'. His preferred recipe, by YouTuber Maangchi, sees freeze-dried berries added to the more traditional mix of peanuts and sesame seeds.
