CHARITY FOR THE REFUGEES

SALZBURG VILLA KAST

21 Nov 2015 - 16 Jan 2016

Opening : Saturday, 21 November 2015, 12 - 2 pm

Parallel to the *LEUCHTSCHRIFT* project a charity exhibition will be held in support of refugee aid in Salzburg.

Deeply moved by the daily images of human distress, brought to our attention by the thousands of asylum-seekers, we would like to make a contribution to refugee aid in Salzburg. Carefully selected artworks will be offered for sale by Galerie Thaddaeus Ropac. The entire proceeds will be donated to a refugee aid foundation headed by Doraja Eberle.

The charity exhibition includes prints, paintings and sculptures by internationally renowned artists such as Siegfried Anzinger, Stephan Balkenhol, Ali Banisadr, Georg Baselitz, Joseph Beuys, Sylvie Fleury, Lori Hersberger, Christian Hutzinger, Anselm Kiefer, Elke Silvia Krystufek, Bernhard Martin, Arnulf Rainer, Gerwald Rockenschau, Hubert Scheibl, Andreas Slominski, Manfred Wakolbinger and Erwin Wurm.
