SALZBURG VILLA KAST

26 Nov 2019 - 21 Dec 2019

This year our ninth annual charity exhibition will benefit the new Caritas Day Centre in Salzburg for people in need. The Caritas is one of the biggest providers of social services, known for their work with marginalised persons such as adults and children in crisis situations. On an international level, Caritas Austria has decades of experience in humanitarian aid and development cooperation, and its strategic programme focuses on food security and the needs of children.

A selection of works by artists such as Stephan Balkenhol, Joseph Beuys, Jean-Marc Bustamante, Sylvie Fleury, Alex Katz, Nick Oberthaler, Walter Obholzer, Elizabeth Peyton, Arnulf Rainer, Robert Rauschenberg, Gerwald Rockenschaub, Hubert Scheibl, Thomas Struth, Not Vital, Andy Warhol, Erwin Wurm and many more are for sale at the gallery and all proceeds will be donated to the Caritas Day Centre project.
